World's Fair March, 1904.

Mr. John C. Weber, director of Weber's Military Band of Cincinnati, known as the "Prize Band of America," has composed the St. Louis World's Fair March 1904—dedicated to the Louisiana Purchase Exposition. It will be distributed through the passenger department of the B. & O. S-W. R. R. World's Fair Route, at 10 cents per copy.

The music is in sheet form, arranged for the piano, being very handsomely gotten up, with highly illuminated title cover. Mr. John C. Weber is not only a great Musical Director, but he has written some very catchy and popular marches. The St. Louis World's Fair March is his latest success, and will add further to his fame.

Mr. Weber and his great organization of artists has twice defeated all comers in national contests at Elks' Reunions. The latest triumph was at Baltimore, Md., on the 21st of last July, when in a notable contest, composed of the leading bands of America, won the first prize of \$1,000. It is confidently expected that Mr. Weber's World's Fair March will become a popular air during the next year, and every household should have a copy of this music.

Send 10 cents in silver to the undersigned and copy of the World's Fair March will be mailed to your address.

LOOKS WERE AGAINST HIM.

The Order Was Given in Words That Admitted of a Wrong Interpretation.

The train on which the distinguished citizen was traveling for the purpose of fulfilling a lecture engagement was late, and he arrived at his destination only an hour or two before the time appointed for the meeting.

He went straight to a hotel and was shown up to his room, relates the Chicago Tribune.

He was tired and dusty. "Boy," he said, "bring me a whisky."

The boy went to execute the mission, and a few moments later a committee from the local society under whose auspices he was to appear called upon him in his room.

He was conferring with the committee when the boy returned, bearing a tray containing a glass of water and a small glass with a red liquid in it.

"What's this?" he demanded.

"It's the whisky you ordered, sir."

"I didn't order any whisky!" he gasped. "I ordered a whisky broom!"

But every member of the committee representing the Turkeyville Total Abstinence society will believe to his dying day that the distinguished lecturer got exactly what he had ordered on that occasion.

WOMEN BREAK DOWN.

Sometimes women drift into a condition of "half invalid."

Continued languor—all tired out, run down, backache, nerves shattered, headache, terrible pain, no appetite, poor digestion. In nine cases out of ten it's because the kidneys fail to do their work of filtering the poisonous system waste from the blood. The kidneys are weak and need the strengthening help of Doan's Kidney Pills. Read how these pills repair a weakened physical condition when this condition is caused by sick kidneys:

Mrs. Sadie Mettles of 394 W. 4th Ave., Columbus, Ohio, says: "Prior to the year 1898 I suffered considerably from backache, pain in the head, languor and depression and weakness of the action of the kidneys. The pain was always worse in the morning and I felt miserable. I was induced to procure a box of Doan's Kidney Pills and I began their use. They proved prompt and effective. They cured me and there has been no return of the trouble since taking them. I owe all the credit to Doan's Kidney Pills."

A FREE TRIAL of this great kidney medicine which cured Mrs. Mettles will be mailed on application to any part of the United States. Address Foster-Milburn Co., Buffalo, N. Y. For sale by all druggists, price 50 cents per box.

INDIAN APPROPRIATION BILL.

The Conference Report Was Submitted to the Senate.

Washington, April 9.—The conference report of the Indian appropriation bill was submitted in the senate Friday. The bill as passed by the senate carried an increase of \$2,877,503 over the bill as passed by the house. Of this increase the house conferees agreed to \$1,005,738 and the senate receded from \$1,272,277. The bill as reported from conference carries \$9,247,320.

Among the senate amendments agreed to are the following: Ratification of the treaties with the Turtle Mountain Chippewas; providing for an Indian exhibit at the St. Louis exposition; authorizing the sale of coal and asphalt lands in Indian territory; providing for probate courts in Indian territory; provisions with reference to various claims, including those of J. Hale Sypher and the late William L. Springer.

The Quay amendment directing the secretary of the treasury to ascertain the difference in the value of currency paid to the Delaware Indians is changed by authorizing the payment of \$150,000 in full for all claims.

Several amendments stricken out of the house bill regarding the payment of claims were restored in conference. The house amendment extending the time for opening lands on the Uintah reservation, Utah, is restored and fixed for March 40, 1905.

PROSPECTIVE DOG FEAST.

There Is Great Joy in the Igorrote Reservation, St. Louis.

St. Louis, April 11.—There is great joy in the Igorrote reservation at the World's fair. The Igorrotes are going to have a dog feast and all the arrangements have been made. Six delicious dogs were mysteriously tethered to stakes in the reservation Sunday and carefully guarded by the savage Igorrotes from the Philippines. It could not be ascertained where the dogs came from, but there they were and each dog was being given a full meal every time he looked hungry, to fatten him up quickly. By common consent only four dogs will be served at the feast, the beauty of two saving their lives. They are a water spaniel and skye terrier. The other four are plain dogs. Gov. Hunt, who has charge of the Igorrotes, stated Sunday night that the humane society can not interfere with the proposed feast as the reservation is 300 yards outside the city limits. He further stated that arrangements had been made satisfactory to the officials of St. Louis county within the confines of which the dog feast would be held and the Igorrotes will have a grand feast on baked dog and sweet potatoes. The date of the feast will depend on the rapidity which the four dogs fatten.

IN FAVOR OF THE RAILROAD.

The Inter-State Commerce Commission Renders a Decision.

Washington, April 9.—The interstate commerce commission Friday announced its decision in favor of the railroad in the case of the railroad commission of Kentucky against the Louisville & Nashville railroad. The commission holds that the railroad in carrying out an exclusive contract with the Bourbon Stock Yards Co. is not violating the interstate commerce law, and that that law does not authorize the commission to make an order affirmatively requiring a railroad carrier to deliver carloads of interstate freight to a connecting carrier. The commission says it is not unlawful discrimination between commodities for the defendant to deliver carloads of dead freight to the Southern railroad for consignees in Louisville and to refuse to deliver live stock to the Southern railroad at Louisville when consigned to the Central stock yards. The commission points out that its jurisdiction does not extend to enforcing provisions in the constitution of the state of Kentucky.

THE BOER SOLDIERS.

They Arrive At St. Louis to Participate in the World's Fair.

St. Louis, April 9.—Gen. Cronje and Commandant Van Dam, of Boer war fame, accompanied by 450 Boer soldiers, arrived here Friday to participate in the World's fair. After the fair is over they will go to Mexico to live. Gen. Viljen, who has been in St. Louis for some time, met the party at Norfolk, Va., and escorted it to St. Louis. The soldiers comprise one infantry company, one cavalry company and one artillery company, and will exemplify Boer methods of fighting, as employed during the late war with England.

HIS FOUNTAIN PEN LEAKED.

And Annabel Goggan's Face Bore Evidence Convincing and Confirming.

"Annabel!" called a Manchester mother over the banisters, as she heard the front door close.

"Yes, mamma," replied a sweet, girlish voice, and Annabel Goggan slowly framed herself in the darkness of the staircase, relates London Tit-Bits.

"Was that Mr. Timberr, Annabel?"

"It was, mamma."

"Do you know it is 20 minutes past 11?" came in cold tones from the wrapped figure in the upper hall.

"Mamma, we hadn't the slightest idea it was so late," she continued, earnestly. "You see," she continued, "Mr. Timberr has been telling me about 'China and Japan. He said everybody ought to know about them, and it was so interesting, we never thought how late it was getting. Do you know, mamma," added the sweet girl, as she reached the landing, "that in China they—"

"Did Mr. Timberr draw a map of China on your face, Annabel?" asked Mrs. Goggan, sternly.

"Why, mamma?" asked the girl in startled tones.

"The young girl rushed to a mirror and saw with horror-stricken glance that the left side of her face was streaked and stained with ink."

"Heaven and earth!" she screamed; "his fountain pen must have leaked into his waistcoat pocket!" and with a shriek of horror the beautiful girl fell fainting to the floor.

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and itching of scalp, as in scalded head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants, and anxiety of worn-out parents, as in milk crust, tetter and salt rheum—all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment and Pills are such stands proven by the testimony of the civilized world.

"PE-RU-NA TONES UP THE SYSTEM IF TAKEN IN THE SPRING."

SAYS THIS BEAUTIFUL YOUNG GIRL.

MISS MARJORY HAMPTON, OF NEW YORK.

Miss Marjory Hampton, 2016 Third Avenue, New York City, writes: "Peruna is a fine medicine to take any season of the year. Taken in the spring it tones up the system and acts as a tonic, strengthening me more than a vacation. In the fall and winter I have found that it cures colds and catarrh and also find that it is invaluable to keep the bowels regular, acting as a gentle stimulant on the system. In fact, I consider it a whole medicine chest."—Miss Marjory Hampton.

PURE BLOOD.

Blood Impurities of Springtime—Cause, Prevention and Cure.

Dr. Hartman's medical lectures are eagerly scanned by many thousand readers.

One of the most timely and interesting lectures he ever delivered was his recent lecture on the blood impurities of spring.

The doctors said in substance that every spring the blood is loaded with the effete accumulations of winter, deranging the digestion, producing sluggishness of the liver, overtaxing the kidneys, interfering with the action of the bowels and the proper circulation of the blood.

This condition of things produces what is popularly known as spring fever, spring malaria, nervous exhaustion, that tired feeling, blood thickening and many other names.

Sometimes the victim is bilious, dyspeptic and constipated; sometimes he is

weak, nervous and depressed; and again he may have eruptions, swellings and other blood humors. Whichever it is, the cause is the same—effete accumulations in the blood.

Nothing is more certain within the whole range of medical science than that a course of Peruna in early springtime will perfectly and effectually prevent or cure this almost universal affection.

Everybody feels it in some degree. A great majority are disturbed considerably, while a large percent of the human family are very miserable by this condition every spring.

Peruna will prevent it if taken in time.

Peruna will cure it if taken as directed.
